Open the enclosure.

#### Step 2:

Carefully connect a 6,35cm/2,5" SATA hard disk drive (not included in delivery) with the matching connector of the PCB interface.  
Close the enclosure.

### 3. Notes

Avoid direct sunlight and high temperatures.  
Keep the enclosure away from fire and other heat sources.

Keep it away from corrosiveness causing materials.

We recommend the usage by children solely under parental guidance and consideration of the user manual.

### 4. Service

This product has a two year warranty period from the date of purchase, service issues will be handled by your dealer.

If the enclosure is damaged due to improper operation, the warranty period expires immediately.

The enclosure supports most SSDs/HDDs. Incompatibility to a certain individual SSD/HDD is not a reason for repair or replacement.

We recommend parental guidance to children using the device, under strict observance to the security notes above.
