Hard disk drive adapter

LC-ADA-525-2535A

Aluminium drive bay adapter for hard disk drive or SSD

Aluminium drive bay adapter for hard disk drive or SSD: 5,25" to 2,5"/3,5"

By using the adapter it is possible to mount up a 2,5"/3,5" hard disk drive into the 5,25" drive bay.

Thanks to the drive bay adapter, you can mount 2,5", 3,5" and SSD hard disk drives into computer cases which do not offer a native 2,5"/3,5" drive bay.

Included in delivery: drive bay adapter, mounting material
