

LC-CC-124-ARGB-TB

Top blower CPU cooler
with 100 mm fan and
ARGB outer ring

The LC-CC-124-ARGB-TB is a Digital RGB top blower CPU cooler with up to 16,8 million selectable colours (outer ring).

- 100 mm fan
- TDP: 95W
- massive cooling capacity
- ARGB outer ring
- for Intel and AMD sockets
- aluminium heat sink
- colour adjustment via the mainboard's RGB software (digital RGB/ARGB)

Technical specification - LC-CC-124-ARGB-TB

Dimension (cooler):	124 x 124 x 68 mm	Socket:	Intel LGA:	775/1150/1151/1155/1156/1200
Dimension (fan):	100 x 100 x 15 mm		AMD:	FM1/FM2/AM2/AM2+/ AM3/AM3+/AM4
Dimension (retail):	130 x 130 x 84 mm	Material:	Heat sink:	aluminium
Weight (product/overall):	0,331 / 0,397 kg		Fan & outer ring:	plastic
Rated voltage:	12V DC	Mark of conformity:	CE	
Rated current:	0,45A	Colour:	black	
Fan speed:	900-2200 rpm (±10%)	Barcode:	4260070127618	
Airflow:	13,42-49 CFM (±10%)	Manufacturer code:	LC-CC-124-ARGB-TB	
Air pressure:	0,3-1,5 mm/H ₂ O	Included in delivery:	1x CPU cooler incl. fan	
Sound level:	17,5-33 dB(A) max.		1x digital RGB/ARGB adapter cable	
Bearing:	FDB (Fluid Dynamic Bearing)		1x mounting material	
Connector:	4 pin PWM (fan), 3 pin (illumination), digital RGB/ARGB (adapter cable)			
Cable length:	ca. 30 cm (fan), ca. 35 cm (illumination)			
TDP (Thermal Design Power):	max. 95W
