LC-M27SF

- 27" mobile smart monitor -

Experience a wide range of possible applications thanks to the mobile **27"/68,58 cm** smart monitor from LC-Power!

Enjoy limitless flexibility and entertainment!
Thanks to the **height-adjustable stand** with integrated casters, the smart display can be effortlessly moved from room to room and used wherever you need it.

Want to use the smart display directly on your desk?
No problem, thanks to the convenient desktop stand.

With integrated **WiFi 5**, you can access multimedia content anytime, whether in the living room, bedroom, or office.

Another highlights are the built-in **touch panel** and the pre-installed **Android** operating system, which makes the display intuitive and easy to use!

Do you want to read the latest social media feeds or documents in upright format? Then simply rotate the monitor by 90° thanks to the **pivot function**!
The display automatically adjusts to the new format thanks to the built-in **gravity sensor**.

Other features of the monitor are built-in speakers (2x 10 W + 2x 5 W) as well as an **8 MP camera**.
